Ada Lake
Campground

Chequamegon/Nicolet National Forest - Ada Lake

Description

For a memorable family camping experience, this campground offers a clear water lake with a sandy beach and good fishing. The exceptionally clear water makes Ada Lake great for swimming as well as for scuba diving. Fishing is good for northern pike, bass, rainbow trout, and panfish. Boat landings provide access to the 75 acre Ada Lake and the nearby 26 acre Glade Lake. Both lakes are restricted to electric motors.

Bears!

Be bear aware while camping. Close and fasten campground waste containers. Lock food securely in vehicles, and never burn food waste.
